Many teach that matter possesses vital power. They hold that certain properties are imparted to matter, and it is then left to act through its own inherent power; and that the operations of nature are carried on in harmony with fixed laws that God Himself cannot interfere with. This is false science, and is sustained by nothing in the Word of God.

Nature is not self-acting; it is the servant of its Creator. God does not annul His laws nor work contrary to them; but He is continually using them as His instruments. Nature testifies of an intelligence, a presence, an active agency, that works in, and through, and above its laws. There is in nature the continual working of the Father and the Son. Said Christ, **"My Father worketh hitherto, and I work."**

God has finished His creative work, but His energy is still exerted in upholding the objects of His creation. It is not because the mechanism that has once been set in motion continues its work by its own inherent energy that the pulse beats and breath follows breath; but every breath, every pulsation of the heart, is an evidence of the all-pervading care of Him in whom we live and have our being.

It is not because of inherent power that year by year the earth produces its bounties and continues its motion around the sun. The hand of God guides the planets, and keeps them in position in their orderly march through the heavens. It is through His power that vegetation flourishes, that the leaves appear and the flowers bloom. His word controls the elements, and by Him the valleys are made fruitful. He covers the heavens with clouds, and prepares rain for the earth; He **"maketh grass to grow upon the mountains."** **"He giveth snow like wool: he scattereth the hoarfrost like ashes."** **"When he uttereth his voice, there is a multitude of waters in the heavens, and he causeth the vapours to ascend from the ends of the earth; he maketh lightnings with rain, and bringeth forth the wind out of his treasures."** ...

His care is over all the works of His hands. Nothing is too great to be directed by Him; nothing is too small to escape His notice. - The Signs of the Times, March 20, 1884.

Angels Mark Our Prayers and Provide Help—When you rise in the morning, do you feel your helplessness, and your need of strength from God? and do you humbly, heartily make known your wants to your heavenly Father? If so, angels mark your prayers, and if these prayers have not gone forth out of feigned lips, when you are in danger of unconsciously doing wrong, and exerting an influence which will lead others to do wrong, your guardian angel will be by your side, prompting you to a better course, choosing your words for you, and influencing your actions.

If you feel in no danger, and if you offer no prayer for help and strength to resist temptations, you will be sure to go astray; your neglect of duty will be marked in the book of God in heaven, and you will be found wanting in the trying day.—(Messages to Young People, 90.)

Prayer 256.3 – 256.4

Paul's Argument Against Selfishness -

Paul sought to uproot the plant of selfishness from the hearts of his brethren; for the character cannot be complete in Christ when self-love and covetousness are retained. The love of Christ in their hearts would lead them to help their brethren in their necessities. By pointing them to the sacrifice Christ had made in their behalf, he sought to arouse their love.

"I speak not by commandment," he said, "but by occasion of the forwardness of others, and to prove the sincerity of your love. For ye know the grace of our Lord Jesus Christ, that, though He was rich, yet for your sakes He became poor, that ye through His poverty might be rich."

Here is the apostle's mighty argument. It is not the commandment of Paul, but of the Lord Jesus Christ....

How great was the gift of God to man, and how like our God to make it! With a liberality that can never be exceeded He gave, that He might save the rebellious sons of men and bring them to see His purpose and discern His love. Will you, by your gifts and offerings, show that you think nothing too good for Him who *"gave His only-begotten Son"* - The Review and Herald, May 15, 1900.

The spirit of liberality is the spirit of heaven. The spirit of selfishness is the spirit of Satan.- The Review and Herald, October 17, 1882.
